

# Enroll in Duo Two-Factor Authentication

---

To activate 2FA for your USC NetID accounts, you will need to register your mobile device or desktop phone for use with the Duo application. You may register a smart phone, cell phone, tablet, and/or desk phone.

## To enroll:

1. <http://itservices.usc.edu/duo/> follow the link to the ITS webpage to enroll
2. *Click* the **Enroll** button in the right-hand side of the page and follow the instructions. (If you are on a mobile device, the button may be at the bottom of your screen.)
3. Once you have successfully registered a mobile device or desktop phone, *click* the **Log In** button and follow the directions to confirm the activation of 2FA on your USC NetID account.
4. After you have confirmed that you wish to activate 2FA on your account, close all open windows on your browser.
5. The activation process may take up to five minutes to complete. The next time you sign into a single-sign-on page, such as the **MyUSC portal** or **Blackboard**, you will be prompted to use the Duo 2FA to complete your login.

\***FAQ** about Duo Two-Factor Authentication can be found on ITS's webpage <http://itservices.usc.edu/duofaq/>
